☐ Agricultural Division	☐ Property Survey Plat
A division of land for agricultural use containing tracts of land 10 acres or more in size. Each tract should abut a public-maintained roadway for at least 50 feet and shall not involve the creation of a new street as defined by KRS 100.111. Although right-of-way dedication is not required along existing roadways, where a 30-foot half right-of-way does not exist, each tract must contain acreage above 10 acres that would allow for future right-of-way to be dedicated while remaining over 10 acres. Submit original and two (2) copies of the plat to Planning Office at any time. The plat may be referred to the Planning Commission should the OMPC Director deem important issues warrant such action.
